

FREQUENTLY OVERLOOKED! PLEASE READ...

Shelter from the elements

Your artists will not work in direct sunlight, direct rain, or severe weather - including extreme temperatures. Provide shelter, or **ask your artist about a temporary shelter**

Ages 3+ | Supervision

Face painting for ages 3+ recommended by paint manufacturers. Gems & horns are not suitable for those under 3 years as they may be a choking hazard. Note: Face Painters are not child minders. **Children must be supervised**

Accessible location

Your artist will be transporting heavy and awkward equipment in trolleys. **Inform your artist to allow extra time** for set up for situations such as: **Loose surfaces, stairs, steep or uneven terrain, distant parking, etc...**

Well lit area | Lighting

If you're unable to provide adequate lighting, please inform your artist to discuss a solution. Consider the comfort of your guests, and also the fact that **your artist can't paint if they can't see!**
